With this album, Zeimet once again demonstrates his extraordinary talent and his unmistakable ability to master the rock genre in all its facets. From melodic ballads to heavy riffs, this album leaves no drawer untouched. Zeimet's musical genius and distinctive sound manifests itself in every single track.

„Suicide Pact Of Gods“ is the electrifying powerful new album from Gilles Zeimet, a captivating fusion of rock and pop music that delves into the epic tale of war between gods and the impending doom of subsequent suicide of humanity. Gilles Zeimet's guitar riffs and songwriting drive the intensity of each track. On this album, Gilles worked again with some renowned singers from around the world to bring depth and emotion to the stories being told.

"Suicide Pact of Gods" confronts weighty themes of existential despair and societal disillusionment, it also offers moments of uplifting groove and energetic punch.

"With this third solo album, I wanted once again to represent my vision of rock music and express my musical versatility," Zeimet says of his latest work. "It's a tribute to the diversity and energy of rock and pop, and I'm proud to be able to share it with my fans." It is important to hear and feel the energy that the individual songs express.

The album's dynamic range of emotions is a testament to Zeimet's versatility as a songwriter and his ability to craft music that resonates with listeners on a profound level. As the album unfolds, the narrative of the war between gods and the resulting human suicide pact takes on a metaphorical dimension, inviting listeners to contemplate the power struggles and societal pressures that can drive individuals to the brink of despair. Through this exploration, "Suicide Pact of Gods" challenges us to question the systems and beliefs that shape our lives, urging us to forge new paths and create a more just and compassionate world.

The first single of the album, "Elysium," delves into the poignant tale of unfulfilled promises and the repetitive excuses, used to pacify the masses, aiming to inspire us to break free from societal norms and embrace our own individuality instead to get back fill in with the line again.

Overall, introspective, poetic, exploring themes of loss, mortality, the lyrics are following the search for meaning in a nihilistic world.

The album is characterized by its groove, punchy sound, and catchy guitar riffs. With his energetic music, « Suicide Pact Of Gods » takes the listeners on an immersive and thought-provoking journey through the realms of rock and pop, it's a must-listen for rock and pop fans.
